BIOGRAPHY

Mr. Tim Kelley
Principal Consultant
Collaborative Leaders, Inc.

Biography:
Tim Kelley is a sought-after management consultant and executive coach, and a Principal Consultant at Collaborative Leaders, Inc. Using innovative collaborative techniques, he has worked with leadership teams and technology organizations to maximize the success of far-reaching, "bet the company" projects. He has trained hundreds of project managers, meeting facilitators and coaches. As a Software Development Director at Oracle Corp., he led successful international project teams and helped found their India Development Center. Tim's clients include Hewlett Packard, American Airlines, Deloitte & Touche, Bayer, and Charles Schwab. He holds a bachelor's degree in theoretical mathematics from MIT.
